

SCHLOSS GOBELSBURG

WEINKULTurerBE ÖSTERREICHs

ST. LAURENT | Reserve

ORIGIN & MATURATION: Ried (single vineyard, cru) Haid is based on tertiary gravel derived from the Alps in the past millions of years. Sufficient drainage, high altitude and good wind exposure is ideal for cultivating St. Laurent here. The wine is matured in regional oak casks (Manhartsberg) of 600 liters and undergoes only a slight filtration and may contain sediments.

CHARACTER: This wine opens with an intense and elegant, slightly smoky, beautifully spicy and herbal bouquet of dark, perfectly ripe fruits, notably black berries, intertwined with refreshing floral and citrus fruit notes. Silky textured and very elegant on the palate, this medium to full-bodied wine reveals remarkable freshness, finesse and lush aromas on the finish. Very stimulating and versatile wine for lunch and dinner, perfect with game.

WINE LIST-DESCRIPTION: Due to the gravel rich soil of the vineyard site this wine shows elegance and a mineral core, the barrel ageing adds a silky texture and puts an emphasis on the fine berry aroma and a herbal touch.

SCHLOSS GOBELSBURG a Cistercian monastic estate, is one of the oldest wineries in the Austrian Danube area with a documented history that dates back to 1171. All the vineyards are located on slopes and terraces around the valley of the river Kamp near the town of Langenlois and the village of Gobelsburg. Schloss Gobelsburg specialises in Grüner Veltliner and Riesling and produces authentic and noble wines from different single vineyard, village and regional appellations. The winery is member of the association 'Österreichische Traditionsweingüter', which is working on a vineyard classification project for the Danube area.
