

SCHLOSS GOBELSBURG WEINKULTurerbe ÖSTERREICHs

BRUT RESERVE | Sparkling Wine N.V.

ORIGIN & METHOD: The typical style of the BRUT RESERVE originates from the cool and animating freshness of the Danube region. High altitude vineyards paired with the personality of the regional grape varieties of Grüner Veltliner, Welschriesling, Riesling and Pinot Noir form the style of this classic sparkler. Grapes are harvested at the perfect moment in small boxes and then immediately pressed, whereby only the heart of the must is used. After six months of cask maturation, it is bottled for the second fermentation and matures for up to 3 years on the lees to develop the creamy texture, until it is hand riddled and disgorged.

CHARACTER: This offers an intense yet elegant, refined and floral bouquet of ripe and nutty-scented fruit intermixed with fresh bread notes. Mouthfilling, round and juicy on the palate, with remarkable finesse and a highly delicate finish. (R. Parker) With long lasting mineral touches this is an ideal and totally appetizing sparkler for festivities and a great food match.

WINE LIST-DESCRIPTION: The BRUT RESERVE originates from Langenlois – the epicentre of Austrian sparkling production and is a round, fruity and perfectly balanced sparkling wine based on varieties of the estate (slightly under 50% Grüner Veltliner, plus Welschriesling, Riesling, Pinot Noir).

SCHLOSS GOBELSBURG a Cistercian monastic estate, is one of the oldest wineries in the Austrian Danube area with a documented history that dates back to 1171. All the vineyards are located on slopes and terraces around the valley of the river Kamp near the town of Langenlois and the village of Gobelsburg. Schloss Gobelsburg specialises in Grüner Veltliner and Riesling and produces authentic and noble wines from different single vineyard, village and regional appellations. The winery is member of the association 'Österreichische Traditionsweingüter', which is working on a vineyard classification project for the Danube area.
