DOMÆNE GOBELSBURG | Zweigelt

ORIGIN: The 'classic' ZWIGELT of Domaene Gobelsburg is a representative of the Danube region, which is – in context to red wine – among the “cool climate” regions. Over the last several decades, this grape variety has developed a strong identity in Austria and especially in the Danube area where this varietal develops wines of great elegance.

CHARACTER: The Domaene Gobelsburg ZWIGELT exudes a shiny ruby red colour with purple highlights. The nose finds fruitiness with hints of cherries along with spicy nuances. This medium-bodied wine reveals stunning concentration and juiciness, as well as an elegant and refreshing mineral acidity that leads to an intense and spicy finish, which make this wine a popular food companion.

WINE LIST DESCRIPTION: ZWIGELT is the signature red grape of Austria. In the Austrian Danube wine region it develops a „cool climate” style with rounded fruitiness, lively spicy notes and a minerally structured finish.
