## TROCKENBEERENAUSLESE | Riesling

**METHOD:** TROCKENBEERENAUSLESE is one of the estate's nobly sweet wine specialities. We can produce noble sweet wines (Auslese, BA and TBA) in exceptional years only, depending on the right weather for Botrytis cinerea. This noble rot will punctuate the grape skins, thus reducing the water content and concentrating the aromas. We carefully select the grapes and berries infected with Botrytis and separate them into the different sweet wine levels in a second step. After a gentle pressing in our basket press the wine is matured for 6 months in 300-liter oak barrels.

**CHARACTER:** The Riesling character in this TROCKENBEERENAUSLESE balances the opulent sweetness with acidity, setting it in a perfect frame of stonefruit aromas. A match with matured blue cheeses and desserts it also has great cellaring potential.

**WINE LIST DESCRIPTION:** This TROCKENBEERENAUSLESE made from Riesling grapes elegantly combines the sweet, lush fruit aromas, with a lively acidic counterstrike and a vibrant, long finish.
