WEINKULTurerBE ÖSTERREICHs

APPELLATION  
KAMPTAL

## ZÖBING | Kamptal<sup>DAC</sup> | Riesling

**ORIGIN:** In the Austrian wine culture village wines have always been a way to characterize the climate and geology of the vineyards surrounding the respective village. The Rieslings from ZÖBING are therefore showing the structured and tightly knit personality of its terraced vineyards, in which primary rock and permian soil are the fundamental aspects.

**CHARACTER:** ZÖBING represents the upper, more narrow part of the Kamp-valley (Kamptal) appellation. Here grapes tend to build a focused and long lingering acidity, giving these wines a concentrated fruit-driven clarity, balanced by a long, intensely mineral finish. ZÖBING village wines have great ageing potential and finesse, making them also elegant food companions.

**WINE LIST DESCRIPTION:** ZÖBING is representing the typical village character of the upper part of the Austrian KAMPTAL appellation. It stands for vibrant and animating fruit, with tightly knit, carrying acidic structure.
