

SCHLOSS GOBELSBURG

WEINKULTurerBE ÖSTERREICHs

KAMPTAL^{DAc} | Riesling

ORIGIN: KAMPTAL in a sentence: Soft hills, terraced vineyards and the cool winds traveling down the river Kamp stand for the finesse and cool elegance in these wines. In order to be a representative of the whole Danube appellation KAMPTAL, grapes are sourced from terraced vineyards in the lower part of the valley, as well as from the upper and higher altitude parts of it, the first bringing the maturity, whereas the latter add the freshness and vitality in this wine. Also we source grapes from our icon vineyards Heiligenstein und Gaisberg, from young vines under 15 years of age, not showing the geology of the soil yet.

CHARACTER: The 'classical' KAMPTAL wine is low in Alcohol (11,5–12,5%) and has a pleasant but not obtrusive aroma and fruit character and is a perfect food companion. The typical expression of Austrian wine culture: spirited, light but with firm texture, crisp, bright fruit and brisk acidity on the finish.

WINE LIST DESCRIPTION: The KAMPTAL represents the typical expression of the climate, soil and drinking culture of the wine-growing regions of the Austrian Danube area: fine aromas, a vital elegance and refreshing acidity.
